

**SERVICE DE METROLOGIE NUCLEAIRE**  
**RADIOCHEMISTRY**

**INTERNSHIPS**  
**(possibly continued in a master thesis)**

Academic year **2022-2023**

**Internship proposals at IRE (Institut des Radio-Éléments)**

- Decontamination of germanium in radioactive wastewater by co-precipitation and filtration.
- Decontamination of antimony in radioactive wastewater by selective inorganic resin.
- Practical modelling of radioactive wastewater decontamination by inorganic resin.
